About me

Currently I am working as a Junior-Controller and Data Protection Officer at expert Warenbetrieb GmbH. Throughout my career hard work and Passion were the main reason for which I was promoted to management positions as in cinema or VIP-teaching positions, although I had not received any of the required education. Leadership responsibility, the ability to work in teams, creativity, stress resistance and reaction speeds belong to my most noticeable social skills.

Skills

VBA

MS Office

HTML/CSS

Team spirit

Learning ability

German, Portuguese, English

Professional Career

2019-today	Junior Controller and Data Protection Officer	expert, Hanover
	• Part of the Corona task Force responsible for Risk management (Simulations of possible outcomes of the crisis as well as the communication to banks concerning subsidies and pledges) securing solvency of the mother company for the upcoming three months.	
	• Calculation and analysis of relevant operative numbers as the EBIT/EBITDA, Break-Even-Point, NOPAT and sales breakdowns considering labour force, sales area and the respective location profile.
